# project profile

## Celtic Manor

---

**Value** £ 1,000,000

---

**Sector** Leisure

---

**Main Contractor** Skanska UK

---

This project represents a fine example of the range of products available through G Jackson & Sons with precast GRG (Glass Reinforced Gypsum) and Jesmonite being produced by their Mitcham workshops. In addition, within a number of public areas, polished plaster finishes were completed as part of this major package of internal decorative finishes.
