project profile

The National Gallery, London

Value	n/a
Sector	Heritage & Conservation
Main Contractor	n/a

During the 1960's, the installation of lay-light ceilings in Galleries 6 & 8 caused damage to the decorative plasterwork. Jackson's craftsmen were commissioned to match some existing work left in-situ and manufacture complete new sections where the damage was beyond repair. Our dedicated and skilled workforce were able to complete the works within a very tight deadline of twelve weeks and to budget.
